To Whom It May Concern:

The ArkLaTex Chapter of AFCEA International is proud to announce the availability of Science Teaching Tools Grants. Multiple grants values between $1,000-$3,000 each will be awarded for equipment and/or supplies for special science teaching projects or programs. Any Science teacher interested in applying may send a BRIEF application to david.richard@praeses.com, add to the subject line: AFCEA Science Teaching Tools Grants.

Teachers who have won in the past two years are ineligible this year.

All applications must include:

1) Contact info including email addresses and phone numbers.
2) Resume/Curriculum Vitae of the Teacher giving teaching experience.
3) One-page Autobiography with teacher photo. The photo must NOT be smaller than 1200 x 1200 pixels in resolution and should include the teacher from the waist up (as a minimum). If chosen, this image will be used in the banquet program and slideshow during the event.
4) A proposal
   a) include rationale behind the proposal
   b) Current equipment available for the program /project if any
   c) Spending budget with timeline. NOTE: Please list highest priority supplies first. AFCEA reserves the right to partially fund projects.
   d) Probable impact; e.g. number of students reached.
   e) Expected results
5) Between 3-4 Photos of Students/Teacher in the Classroom – e.g. Program in Action photos

Completed applications must be received or postmarked no later than 1 February 2021. Award selection will be by 1 March 2021. The 2021 AFCEA ArkLaTex Chapter Scholarship Banquet will be held in April 2021. Honorees will be able to bring 3 guests for an elegant fun night especially made for them!
